ROOTSFORKIDS

A top-down view of children's hands painting at a table. The table is covered with a light green cloth and has various art supplies: two watercolor palettes (one orange, one blue), several colored pencils, a blue bowl of water, and a yellow bowl. A child's hand is visible holding a paintbrush, dipping it into the blue bowl. Another child's hand is holding a yellow fabric bag. A colorful beanie is also on the table.
